

DEAR TENANT!

REMEMBER TO SORT YOUR RUBBISH BEFORE YOU THROW IT AWAY...

YES - THESE CAN BE THROWN OUT AS HOUSEHOLD WASTE:

- Leftover food and dirty packaging e.g. milk cartons, remoulade containers and pizza boxes.

YES - THIS IS ALSO HOUSEHOLD WASTE, BUT REMEMBER TO BAG IT:

- Cat litter and excrement
- Cold Ash
- Nappies and sanitary towels
- Liquid waste
- Vacuum cleaner waste

NO - THIS IS DEFINITELY NOT HOUSEHOLD WASTE

- Glass, cardboard and paper*
- Sharp/pointed objects
- Live coals and hot ashes
- Soil and stones
- Garden waste
- Hazardous waste**

AND PLEASE REMEMBER TO CLOSE THE RUBBISH BAG PROPERLY.

* Glass, cardboard and paper can be recycled and do not belong in the household waste. It should be placed in the special containers in your rubbish center or in the Revas containers, which can be found all over town.

** Hazardous waste: light bulbs, batteries, paint scraps, chemical waste, medicine waste etc. should be delivered to the recycling centre.

THE CONTAINERS MUST NEVER BE FILLED PAST THE POINT WHERE THE LID CAN STILL BE CLOSED.

IF YOU COMPLY WITH THIS - WE WILL TAKE YOUR RUBBISH.
